I contacted Rick and he directed me to Steve. Per Steve 100k will be to his foundation, 100k an invoice from the Key and 20k to Rick Singer. Since you said 200K, we're at 220k, is this a moving target?

You realize if they are not incorporated, they will receive a 1099 if this is ran through the business....They will also need to provide HPC a completed W-9 for tax reporting purposes.
